LYVG

Who we are:

“League of Young Voluntary Georgian” (LYVG) is a citizen's non-governmental, nonprofit voluntary service organization, founded in 2003 by the initiative of the representatives of the German and Latvian communities in Georgia with support of Georgians Salvation Army. LYVG functions on the basis of the Constitution of Georgia and under Georgia's law "About public citizen associations". LYVG is a national Georgian Coordinator Host/Send-Organization of International Exchange Voluntary programs of ALLIANCE www.alliance-network.eu. Our partnership area is getting wider as we have participated in ALLIANCE Technical meeting 2006 in Armenia, 2007 in Turkey, 2008 in France, 2009 in Italy, 2010 in Germany and 2011 in Armenia. LYVG cooperates with partner organizations of ALLIANCE all over the world and send and host volunteers to Work Camp, Medium/ Long term voluntary service program (WC, MTV) and “Youth in action” program with EU commission support.

What we do

LYVG' s aims are: - to involve young people in social/environmental/cultural programs; - to promote volunteering programs and creation of summer work camps with different target groups; - to run international exchange programs for young people; - to study and protect historical places and constructions; - to raise the public awareness about the situation and actual problems of young people.
