DEINETA

Who we are:

The organization was established in 1988 as a union of several student clubs. DEINETA is an independent non-political voluntary service organization fully responsible for its budget and structure. We organize international short term youth and teenager voluntary camps in Lithuania and also send volunteers abroad to our partners' international projects.

AIMS

- to promote international co-operation and understanding among young people from different countries and different cultures;
- to help young people realize their voluntary ideas;
- to provide opportunities for young people without distinction to race, language, religion or social status, who wish to acquire cross cultural skills and gain international experience for their personal and professional development;

We support ideas of solidarity and humanity, and think that the international volunteering is the area where everybody is able to express themselves for the sake of peace.

What we do:

Our work camps normally run from the end of June till the beginning of September and last for two weeks. There are usually 8-10 participants and 1-2 camp leaders in each project. We do not organize big camps in order to create warm and friendly atmosphere. The activities of our camps include organizing leisure time for children, restoration of museums, cleaning and preserving nature, assistance in organizing festivals etc.
