## Mongolian workCamps Exchange

Who we are:

MCE was established on January 11th, 2001 by an individual who had participated in the 3rd Training & Networking Work camp in Vietnam. Before 2000, there were no work camp organizations or international voluntary service in Mongolia. However, there were many needs that international voluntary projects could help to improve in Mongolian society. Through practical work projects, MCE hopes to encourage public awareness of Mongolia's social problems and promote local action.

What we do:

The types of works vary:

- Environment: Cleaning rivers, planting trees, protecting animals, creating eco-villages, etc.
- Agriculture: Picking fruits or seeding in organic farms, reviving uncultivated fields, etc.
- Construction: schools, toilets, renovating castles, converting farms into youth centers, etc.
- Social work: With/ for children, refugees, mentally/ physically challenged, elders, etc.
- Arts/ Education: Organizing festivals, performing play against AIDS in schools, archaeology, etc.
- Others: Making proposals of town planning, recycling & sending bicycles to India, etc.
