PRESENTATION OF CONCORDIA

Concordia is a French national non-governmental and no-profit making organization, founded in 1950 by English, German and French youngsters. Their aim was to enhance the values of tolerance and peace after the 2nd world war by organizing international workcamps of young volunteers.

The international projects are designed to promote intergenerational exchange and international meetings, in a spirit of peace, friendship and mutual understanding. Concordia has the approval of the French Ministry of Youth and Sport and the Ministry of the Environment.
