

TRAINING FOR YOUTH TRAINERS

24th-31st of July 2013
Banská Štiavnica Slovakia

INEX Slovakia is going to organize the training for young people who want to acquire basic skills as youth trainers. The training will focus on the basic knowledge and skills which are necessary for trainers. The main topics of the training will be: **presentation skills, group dynamics and facilitation, graphic facilitation, theory of games, feedback, debriefing, how to build a workshop, conflict resolution, how to handle difficult participants.** After this training course the participants will be able to run a workshop, to present in front of the group, to understand the group dynamics and facilitate the learning process of the participants.

Aim of the project: the main aim of the training course is to provide the participants with the basic knowledge and skills which an youth trainer needs.

To achieve this aim we set these objectives:

- To develop the presentation skills of the participants, so they will be able to present confidently in front of the group, use powerpoint and flipchart effectively
- To help participants to understand the group dynamics so they can effectively facilitate their learning process
- To provide the participants with the information who to build and run workshop effectively, how to set the aim and objectives, how to choose the right methods and methodology, how to manage the time and evaluate the results.
- To provide the participants with a toolkit of methods and games which can be used to foster the educational process of the youth
- With the good examples show the participants how can they can solve conflicts in the training and how to deal with the difficult participants
