UPA was founded in 1989 by young Ugandans with the aim of mobilising youth to contribute to community development through voluntary work. UPA has a national secretariat located in Kampala, Nansana and currently operates with 10 Branches in seven districts in Uganda. Objectives:

- To encourage the dynamic age group (youth) to take leading roles towards development.
- To promote and improve natural and acquired skills useful to the community.

- To contribute to the development of community based social services.

What we do:

Through the new work camps; the Participants acquire new skills, experience, get new ideas and are exposed to development issues especially through the exchange of good practices. The Community benefits through participation, education, sensitisation, new constructions and poverty reduction.
