

La Rueda

What is La Rueda?

We are the organisation that is mainly providing early child care facilities (La Rueda Kindergruppen) in Vienna/ Austria. Our speciality is that we are communicating with small children in at least two languages with the use of native speakers (mainly German and Spanish speaking, but we are eager to take in some more languages :)

We are in search of young volunteers they want to work in an intercultural field together with experienced and motivated child care taking team. So to be clear about the focus of our Application, it would be carried out by the "La Rueda Kindergruppen", a part of the association of "Großes Schiff".

Proposed activities

We have 14 children between 1 and 6 years to take care of and are doing a lot of activities with them. The EVS Volunteer is going to be with us in all activities and has time to get into a good relationship with the children. It is good to have two extra hands for all the daily activities, mostly in the outgoing, we are having at least two professional care takers with the whole group. So with the EVS volunteer they would be minimum three persons for 14 children often four. We have freshly cooked biological food, cooked by our Cuban cook in our group. The volunteer could eat with us and would be included in all daily activities like the morning round like the care takers do, holding in shape the eating place, but never is going to be alone with the children.

Volunteer profile and recruitment process

All young people who are interested are invited to apply.
