

## SPECIFIC OBJECTIVES

- to raise awareness on gender-sensitive topics and on the importance of sharing equal rights and opportunities, for men and women in EU and Partner countries;
- to exchange the good practices in the field of gender equality and women empowerment, among EU and Partner countries CSOs;
- to promote transnational mobility opportunities between Program and Partner Countries to develop skills and competences to further promote gender equality;
- to enhance the active involvement of young people with fewer opportunities and groups at risk of social exclusion, with a specific attention to young women;
- to launch, test and implement tools and non-formal learning methods with a gender perspective to be used at global level.

## AN ERASMUS+ PROJECT

The project was co-funded by the Erasmus+ programme of the European Union. The European Commission support for the production of this publication does not constitute an endorsement of the contents which reflects the views only of the authors, and the Commission cannot be held responsible.
