TRAVEL COSTS AND REFUNDS

The **travel distance** (included in the budget shown on the right side) is calculated according to the main office location of partner organizations and to the Travel Distance calculator of the Erasmus+

Moreover, participants, informing the organizations in advance, will have the chance to opt for the **green travel** using more sustainable and eco-friendly means of transport (train, buses and carpooling).

Participants will be refunded after the end of the mobility (training course, youth exchange, etc), upon the presentation of their travel documents.

The **refund process can take around 4-6 months** and it will be done directly to the sending organizations bank account, not to the participants' bank accounts.
