THROUGH NON FORMAL EDUCATION AND CLOWNING

THE PROJECT

DATES

04th November: Arrival day

05th - 12th Novembre 2025 (8 days of activities)

OBJECTIVES

- to promote exchange, understanding and intercultural learning among young people
- to raise awareness on gender expression and gender role models through clowning and non formal education techniques

METHODOLOGY

During the youth exchange, we will explore **gender issues** through the combining of **Non Formal Education and Clowning, an art** that can be, at the same time, **fabulous and demanding!** We approach these techniques through **games** and a variety of activities that will include **body movement, theatre, improvisation, voice, emotions** etc.

To join, you are invited to bring your **curiosity**, your **open mind** and a glimpse of **serious stupidity** too! Looking forward to meeting you!

The agenda will not include a visit of the surrounding neighbouring cities.

COUNTRIES INVOLVED IN THE YOUTH EXCHANGE
Italy, Latvia, Turkey, Spain

TARGET GROUP

Young people (aged between 18 - 25) interested in the topic and 1 group leader (previously involved in the TC and the APV)

HOSTING PLACE

VENUE

CASA LABORATORIO IL CERQUOSINO, Località San Faustino 22, 05018, Orvieto (TR), Italy

ACCOMMODATION

Casa Laboratorio Il Cerquosino is located in a marvellous place in the countryside surrounded by nature, a bit isolated at 30 minutes from the city of Orvieto.

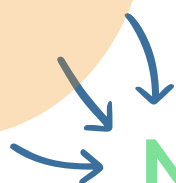

It is composed by: dormitory with bunk beds, a multi-purposed room and an outdoor space for workshops, shared toilets and showers, a professional kitchen and a dining room for free time and meals. It will be prepared and served by our kitchen staff.

We kindly remind everybody to inform us on scambi@lunaria.org about any specific needs concerning food or allergies.

Il Cerquosino is managed by following sustainable practices (such as community life, garbage recycling, responsible water use, responsible electricity use, etc.) and participants will be invited to follow these ones.

Participants will be involved in the **daily maintenance tasks**: cleaning of the common spaces and support in the kitchen management (cleaning dishes, setting the tables, etc.).

Due to the sometimes unpredictable **water shortage in Italy**, some water cuts may occur in the hosting facilities. In case of water cut, the use of the water in the hosting structure (for showers, toilets) could be rearranged. For the whole duration of the project, drinkable water will always be guaranteed.

NO WIFI IN THE VENUE
